COMMANDER'S MESSAGE

Greetings Legionnaires!

It appears spring is finally here, and old man winter has packed his bags and moved on, thankfully!

Post 176 is hosting Memorial Day activities this year, so May will be a busy month. Volunteers are always needed to get ready for this special day. This year marks 100 years since our involvement in The Great War (World War I), so we will be focusing on that as we prepare for Memorial Day weekend activities. We will need help decorating the cemetery. Small gravestone flags and Flanders Field crosses will be placed on Harlington Cemetery the Thursday before Memorial Day and volunteers are always appreciated for that.

On Saturday, May 26, at 9:00 a.m. the big flags and poles are erected with name plates attached. This is a community event so if you are able to help, it would be greatly appreciated.

On Memorial Day we will gather at Kohlmann Park at 10:30 a.m. for a ceremony to honor those lost at sea. There will then be a parade from Kohlmann Park to Harlington Cemetery where there will be a memorial service at 11:00 a.m. Since this is the centennial year of the ending of WW I, we will be focusing on this event where we will honor those who came from Bremer county who died during the war.

There will be a luncheon at the WAVP Veterans Center following the ceremony hosted by the American Legion Auxiliary.

In case of rain, activities will be held at the WAVP Veterans Center. At 4:00 p.m. Monday, we will again need help to take down the big flags and poles.

Thank you all for your past service to your country and your continued support of The American Legion, which is your voice in service to our Veterans.

Commander Richard Miller

AUXILIARY UNIT # 176 NOTES FROM THE PRESIDENT

Dear Auxiliary Members,

After last week's snowfall, I am sure we are hoping this is the **Last** snow we see until after Thanksgiving! We are all so ready for good weather! The farmers want and need to get out into their fields, and many of us look forward to beginning working in our flowerbeds and gardens.

We enjoyed getting together for the Legion birthday potluck on March 11 at the WAVP Veterans Center. Next year, we will be observing and celebrating 100 years of The American Legion.

No Auxiliary members were able to attend the District Spring Conference in Hampton on March 31, but Janet Hoins and I attended the Spring county meeting in Denver recently. We enjoyed a great meal and shared with each other what our units throughout the county had accomplished this past year.

Some of you may have seen the local newspaper article about the girls chosen to attend Girls State this June. Finley Alexander and Raquel Zehr have been selected to go, with Jaymie Wasem as our alternate. We hope their week at Drake University will be one they won't forget, and we look forward to hearing of their adventures at our membership dinner in November!

May will be a busy month, with our annual **Poppy Week, May 14 – 19**, distributing both large and small poppies. The large poppies will be taken around to our local businesses throughout Waverly at the beginning of the week, with small poppies at the entrances of our local grocery stores at the end of the week. Please speak with Janet Hoins or Marlys Minnaert if you would like to help distribute poppies this Spring! Waverly road construction will again present some challenges, but we will do our best! I'd like to add that we have a very generous community when it comes to remembering those who served and currently serve this great nation.

Our Legion and Auxiliary will be in charge of the **Memorial Day** events and meal on **Monday, May 28**. More details will be discussed at our May 7 meeting. Please sign up to help out with this event!

On **Monday, June 11, 2 p.m.**, we will again be gathering at **Bartels Lutheran Retirement Community** for our **Coffee**

and Fellowship. We will be located in the **Good Shepherd Chapel** once again. Please let area veterans and their spouses know of this event, and ladies, please come and be a part of this time together!

Our next **Food Night** will be coming up soon. Be watching for the date on the monthly WAVP calendar! Details will be discussed at the May meeting.

Ten of our regular attending members submitted their volunteer hours for the last 12 months, and I'd like to share just a few numbers with you:

- Total hours volunteered for veterans/active duty/reserves: **506**
- Number of poppies, large and small, distributed in Waverly: over **2,275**
- Additional hours volunteered in our communities: **1,161**
- Miles driven: **5,183.5**

These numbers amaze me, and they represent only half of our current attendees. I want to encourage all of you to start now, and keep track, month by month, of your volunteer hours to both our veterans and their families, and to those in our communities! We **Do** make an impact, and that is our purpose as an organization! Thank you, again, ladies, for all you do in our auxiliary and the Waverly area! Have a wonderful Spring and Summer!
